International Meningioma Meeting

September 2-3, 2017

International Meningioma Meeting From Basic Science to Clinical Strategies

Dear colleagues,

It is our pleasure to welcome you to the International Meeting on Meningioma from 2-3 September 2017 in Tübingen, Germany.

Please find all relevant information on invited speakers, at one glance program and registration by visiting our meeting website www.meningioma-tuebingen.com

Abstract submission is open until 01 August 2017 via e-mail: susanne.luginsland@med.uni-tuebingen.de

For your abstract submission please choose one of the following categories

- Tumor biology
- Neuropathology & molecular diagnostics
- Imaging
- Surgical perspectives on meningioma
- Strategies in Radiooncology for meningioma
- Systemic drug therapy for meningioma
- Clinical trials in meningioma

Please do not hesitate to contact us if you have any further questions by e-mail to susanne.luginsland@med.uni-tuebingen.de

We are looking forward to welcoming you in Tübingen!

Ghazaleh Tabatabai & Marcos Tatagiba

Saturday, 02. September 2017

09:00 - 10:00

Tumor biology & neuropathology (1)

10:00 - 11:00

Tumor biology & neuropathology (2)

Tumor biology & neuropathology (3)

11:00 - 11:30

Coffee break

11:30 - 12:15

Imaging (1)

12:15 - 13:00

Imaging (2)

Imaging (3)

13:00 - 13:45

Lunch break

13:45 - 15:30

Surgical perspectives (1)

15:30 - 16:00

Coffee break

16:00 - 17:00

Surgical perspectives (2)

Surgical perspectives (3)

17:15 - 18:15

Closed Meeting:
International Meningioma Consortium (1)

19:00

Conference Dinner
„Bootshaus Tübingen“

Sunday, 03. September 2017

09:00 - 10:00

Radiotherapy (1)

10:00 - 11:00

Radiotherapy (2)

Radiotherapy (3)

11:00 - 11:30

Coffee break

11:30 - 13:00

Systemic drug therapy and clinical trials in meningioma

13:00 - 13:45

Lunch break

13:45 - 15:30

Controversies in meningioma & future perspectives

15:30 - 16:00

Coffee break

16:00 - 17:30

Closed Meeting:
International Meningioma Consortium (2)

17:30
